Dear Jean,

I thought I'd try to fill in your sheet but I know so little will keep it around and try to fill in later.

I wrote to a relative in January from Pentiss, Miss. I found her name and address when a step-aunt died and I went through old letters. She wrote back that she was 77 - had been ill, but would write what she knew when she felt better and weather was warmer - I wrote again to tell her about our family - hope she will answer soon - maybe she will give some of the info. you are seeking -

from 1850 census

These names and information above  
so marked came from Thomas  
Pickens Brady, son of Thomas  
Brady - Thomas P. was assoc.  
Justice of Miss. Supreme Ct. 1969 -  
grandson of Pickens (B. b. 1846)  
Thomas P. d. 2-2-1943 - Brookhaven Miss.

my g. grandfather Sanford spelled his name (like his father) Braddy but some of brothers - like Pickens - spelled name, after Civil War, Brady - (over)

I know another generation or 2 of  
Tom + Susie Davis -

Braddy 2

- Such a shame! I think -  
The children of Pichen Brady + Margaret  
Burrow were: 1) Susie (Mrs T.J. (Tom) Davis  
of Vernon Parish and later San Antonio, Tex.  
(2) Tom Brady of Brookhaven Miss.  
(3) Mrs Virginia Duckworth  
(4) Mrs. R. E. Wilson of Prentiss

I don't think you'd want all Sanford's offspring?

That's about all I know about Jones Braddy  
family -

Addison came to Texas after civil war this  
told - maybe when Sanford ~~left~~ - about 1869 - he's still  
looking for his family - it's supposed to be Braddy -  
if I hear more from Prentiss, I'll let you  
know -

I wrote to Miss. for war record of W. Sanford  
Braddy this winter - they wrote had no record of  
William Sanford (left off Braddy) but the papers did  
say write to state where he lived when <sup>one</sup> applied  
for pension - so must write to La. -

I was disappointed to find no Braddys in your  
book - one account says the brothers joined in  
"Old Williamsburg" was that in Jones Co.?  
Covington? I must find out -

You may have no interest in all  
this - but I'll keep in mind your book  
and read along what I find -

Sincerely,  
Junda Spall

Maybe you have my Dyess family from Jones co. Miss. info. but I'll send what I have anyway. If you have more I'd be so happy to learn anything else abt them. Maybe the Edward and John in your book are these brothers in Civil War.
